Dixie Vintage February Meeting Held

By Gary Adams

The Dixie Vintage February Business meeting was conducted February 10th, at The Fish Market restaurant on Highway 31 in Hoover. There were sixteen members present including a good mix of spouses.

Thanks to Chris Williams who brought everyone a nice Classic Collectors Insurance by Infinity calendar. The food was excellent, the conversations better, and great fun was had by all. Thanks to everyone who attended.

We were pleased that the club approved a motion to conduct the Pelham Towne Center Cruise-In again this year. The Cruise-in will be the third Saturday each month from 4:00PM until 7:00PM. The Cruise-In will run from April through October.

Oak Mountain Middle School

Gary Adams

The Oak Mountain Parent Teacher Organization (PTO) will host their annual fund raiser EXPO on Saturday, April 16. They have requested Dixie Vintage display cars at the event to help increase attendance and enhance their fundraising efforts. Dixie Vintage has agreed and is requesting that all members who are available to bring their collector cars. The school has requested that we have our cars there beginning at 11:00 A.M. and remain until 3:00 P.M. Cars displayed will be parked in the lot in front of the school. This is expected to be a fun and festive event so plan on bringing the entire family. We'll provide additional information as the date approaches but please put it on your calendar now.

Pelham Town Center Cruise-In Announced for 2011

By Gary Adams

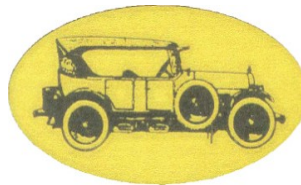

At the February Business meeting Dixie Vintage members approved a motion to do the Pelham Town Center Cruise-In again this year. The Cruise-In will be conducted each third Saturday of the Month beginning in April and running through October. The Cruise-In will start at 4:00PM and end at 7:00 P.M. Fabulous rock and roll music will once again be provided by Larry Huff. No one does the DJ thing better than Larry! Also, the club will sponsor a 50/50 pot plus other happenings.

For those of you that prefer something other than BBQ, the Pelham Town Center has plans for another restaurant to open before the April Cruise-In.

Please mark your calendar now for April 16th.

This Cruise-In is our charity fund raiser so we need each and every member to participate in the April opening Cruise-In. And, please bring a friend or two!

For a really great variety of automobiles.

Tim Stout recently traveled to North Georgia to inspect a 1938 Packard engine he found on eBay. The surprise was the vehicle it was from. This beautiful 1938 Packard funeral coach with a Henney body. It is being modernized with a V-8, 12 volt system, etc. It is owned and used by the Wilson Funeral Homes.
