April 18, 2011

Dear Local Merchant:

I am writing to you on behalf of the Shelby County School of Technology. If you are unfamiliar with our school, I would like to share with you how we serve the students of Shelby County. All students in Shelby County have the opportunity to attend our unique campus and expand their knowledge and skills in one of the 13 distinct career technical programs offered. If you are interested in learning more about our school and programs, please visit our website at <http://www.shelbyed.k12.al.us/schools/sot/index.htm>.

Many of our students will be participating in the SkillsUSA National Leadership & Skills Competition in Kansas City, Missouri in June 2011. SkillsUSA is a Career and Technical student organization that allows our students to compete nationwide against others within their trade. The winners of these competitions will be eligible for scholarship opportunities to further their education as well as their careers. This experience also exposes students to many major corporations that may lead to potential employment in their chosen field of interest.

I am asking for your support in helping our students raise the funds necessary to attend the NLSC competition. This year we will be having our 1<sup>st</sup> Annual Car, Truck and Motorcycle Show May 21, 2011 (rain date: May 28<sup>th</sup>). The event will be held on the SOT campus from 9:00 a.m. until 4:00 p.m. We are asking you to help us make this day a success for our students, as well as our community. There are many ways you can help.

- ◆For a \$100 donation, you can set up a table/booth to advertise your business.
- ◆For a \$ 75 donation, if you have a banner you would like to display, space will be provided.
- ◆Items for silent auction
- ◆Donations for door prizes/give-a-ways: gift certificates, discount coupons, tools, hats, t-shirts, key chains, or any item/service you would like to provide. We would like to have several drawings per hour throughout the day.

This event is sure to be entertaining for the entire family. Not only will there be a variety of cars, trucks and motorcycles, but there will also be food, live music, fun for the kids (face painting, space bounce etc.) and a chance for the community to interact with one another while helping our students excel to their maximum potential.

Any and all donations, big or small are greatly appreciated. A tax deductible letter will be mailed to you after the event. Thank you so much for your time. If you have any questions, please feel free to contact me.

Anjanete (AJ) Miller
